Fast-track access to the Blue CPCS Card

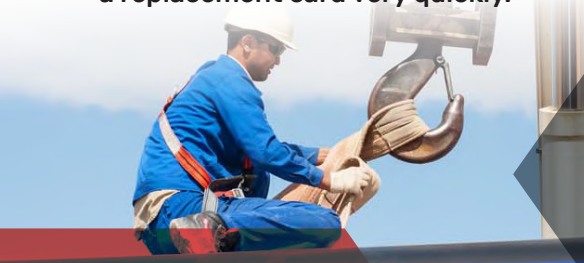
Call us: (01952) 287 366

Our NVQ Diplomas/Certificates in Plant and Lifting Operations provide access to the Blue (Competent Operator) CPCS card. These NVQs are a fantastic way of developing yourself and will undoubtedly lead to further progression in the industry.

Our award-winning process enables us to provide a unique one-day on-site assessment, captured electronically, minimising downtime without compromising on quality.

Candidates will be assessed by one of our specialist assessors (all of whom have vast industry experience).

This method of assessment is ideal for operators who's Red CPCS cards are coming up for renewal therefore require a replacement card very quickly.



Please note:

The one-day assessment is only available to competent operators and is not suitable for those still developing their abilities in their occupation. Suitability for enrolment will be determined through a discussion with one of our specialist assessors.

CADUK offer a (construction) plant or lifting operations NVQs in the following categories at levels 2,4 & 5 that provide access to the Blue Competent Operator CPCS card:
