Learner Initial Profile Tool

Level 6 NVQ Diploma in Construction Contracting Operations Management

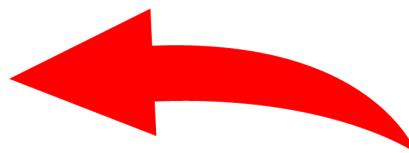

BUYING PATHWAY

This qualification is designed for **technical** people working at a **senior level** in a wide range of job roles that might be considered to be site based, these people will have responsibility for other people in their occupation and **clearly be decision makers**. This includes roles such as **Senior Estimators, Senior Quantity Surveyors, Senior Buyers, Senior Planners**. The scope of this qualification covers all sections of the construction cycle including all forms of construction and civil engineering. This includes functions such as maintenance, demolition and companies specialising in a single operation such as roofing, plastering and shop-fitting.

There are five pathways to this qualification: **Buying, Quantity Surveying, Planning, Estimating and General Contracting**. The General Contracting pathway is suitable for Site Agents, Site Managers, Logistics Managers, Lifting Managers, and those who carry out the role of Principal Designers (CDM Regulations).

This profile tool is specifically for the Buying pathway only If your specialist area is one of the other pathways mentioned above please make sure that you download the appropriate profile tool from our website.

This qualification provides access to the CSCS Black card, AssocRICS and MCIQB (through the full professional review)
